Foreword

At last it is finished. There were moments when we thought that our efforts were useless, and there were times when we even asked ourselves, "Is it worth it?" But slowly page by page the yearbook began to grow until finally we reached the height of our goal and crowned our efforts with the finishing touch.

Each faithful member of the Yellow Jacket Staff has given you through his work a part of himself. No one, however, has given anymore than our advisor, Mr. Wilson. Only through his diligent effort were we able to keep pushing forward in those depressing moments when we would have otherwise given up on our own. And certainly without the cooperation of our teachers and fellow students this book would not have been possible.

Our main objective was to strive not for quantity, but for quality. We have tried to capture for you the moments of the year 1965-1966; moments of joy; moments of sadness; moments of achievement; moments that you will always remember.

We now present to you what we think is the greatest yearbook ever put together at Yatesville High School. We hope that as you turn the following pages and look back into the past, you will agree that we have captured forever. . .

"THE YEAR OF DECISIVE MOMENTS"

Billy Boyt, Editor

Our Dedication

"These are the happiest days of your life." How many times have we heard these words? How many times have we heard them in disbelief? They didn't mean too much to us until we found ourselves trying to fill the roles of seniors; roles that we had envied for so long. It was then, Mother and Dad, that we began to realize that all you had told us had been true. We realized for the first time, the real value of your love. We began to understand how our wants had been your tasks; how our deeds had sometimes been your heartbreaks; and how our accomplishments had been your joys.

Yes, there is much that we owe to others, but Mother and Dad, it cannot compare to what we owe to you. It was through you that the door was opened to the future. It is in your honor, MOTHER and DAD, that we dedicate this book to show in our small way our love for you.

Beta Builds Character

As an organization dedicated to scholastic excellence, the Beta Club drives to promote leadership, moral character, and individual desire.

The club sponsored the homecoming queen and dance this year, sold ribbons for all basketball games, held a cake sale, and contributed to the empty stocking fund.

In order to be considered for membership, one must have an overall average of 90, and maintain an 88 percentile in order to remain a member in good standing.

Key Club Builders

As a service organization, and a club of the highest caliber, the selection of Key Clubbers is left up to the members, who nominate new prospects. These prospects are then voted on by the faculty.

This year the club's single service project was the renovation of the McDonald home, here in the community. Other activities included fruit baskets at Christmas, support of the bloodbank, and the parent-teacher banquet.

As a result of the work of this club, we feel proud in announcing our ranking as the number one club in the state of Georgia.

Key Club Sweetheart

MISS LINDA GAIL STANSELL 1965-1966

Each year a girl from the senior class is chosen to serve as the sweetheart of the Key Club. The qualifications for her being chosen are that she must have poise, beauty, and a good personality, and must be active in athletics and other school activities.

The responsibilities of the sweetheart are varied. She has to prepare for the annual Parent-Teacher banquet, assist the officers in writing letters, attend club meetings and participate in all Key Club activities.

This year we've had an exceptionally outstanding sweetheart, not only has she excelled in her duties to the club, but also to the entire student body. She has been honored by receiving such coveted awards as the D.A.R. Good Citizenship Award and was chosen as the Homecoming Queen of Yatesville High School for 1965-66.

Future Homemakers of Tomorrow

Founded on the basis of preparing girls to fill the roles of tomorrow's homemakers, the FHA strives to excell in building character, leadership, and a sound sense of responsibility. Any girl from grades 9-12 may join the FHA provided they have had instruction in Home Economics.

This year the FHA has participated jointly with the FFA in such projects as selling magazines, sponsoring a Valentine's dance and the Father-Son, Mother-Daughter Banquet. One of their major service projects this year was carrying and opening Christmas presents for the elementary students.

Miss Joy Brantley FFA Sweetheart 1965-66

Each year the FFA Chapter chooses a girl from either the Junior or the Senior class to be the Chapter Sweetheart. To be chosen as sweetheart, she must have beauty, poise, talent, and must be able to type.

Her duties require her to assist the officers, represent the chapter in the local area sweetheart contest in Pike Co., and help carry out the plans for the Father-Son, Mother-Daughter banquet.

This year we have had an outstanding sweetheart who has represented the chapter in the highest degree.

Joy has attended every FFA meeting, helped tremendously with the banquet, and won first place in the sweetheart contest in Pike County.

The Spanish Club is a service organization made up of students who have taken at least one year of Spanish. The officers of the club are selected from the students who are presently taking Spanish.

The Club meets on the first Friday of each month. During the meeting plans are made for the upcoming projects and afterward refreshments are served.

The main project carried out by the club this year was the cake sale. The money from the sale was used to have an Easter egg hunt and to buy Easter Baskets for the children at the Georgia Baptist's Childrens Home.

Sports Summary, 1965-1966

In mid-September of 1965, the Yatesville Yellow Jackets began practicing for what turned out to be one of the most successful years in the history of Yatesville athletics. First of all, Coach Paul Sheets and his basketball players spent many hours preparing for the approaching cage season. Many boys and girls tried out for the team, making the competition very keen.

On October 22, the basketball season began with a journey to Byron. There, the Yatesville lads and lassies got off on the right foot by defeating the Byron Flashes 89-80 and 48-33 respectively. The following week, Pike Co. felt the sting of the Yellow Jackets. Yatesville fans were already beginning to sense the probability of a birth in the state tournament for both boys' and girls' teams.

When the thrills of victory are high, there always looms defeat to knock them down. That is exactly what happened to the Yatesville boys when they got their first and second tastes of defeat from Milner and Taylor Co. The girls managed to postpone defeat a game longer by inching past Milner 43-42, but Taylor Co., handed them their first loss the very next game.

Time passed on and the Yellow Jackets continued stacking up in the win column. On the home court, which is called Death Valley, The Popcorn Box, and The Yellow Jackets' Hive by our foes, the Yatesville quintet proved themselves to be almost invincible. Finally came the time of the year for the Tri-County Invitational Tournament. With the tournament jitters prevailing, the boys were knocked out the second time around by Manchester, 55-53, in a thriller which went into two overtime periods. The girls played extremely well but had to accept the second place trophy after bowing to Talbot Co. 44-36. Dusty Pippin, Gayle Stallings, Linda Gail Stansell, and Diane Walker were chosen as tournament all-stars.

The season progressed into February and both teams earned a birth in the Region Tournaments by placing in the sub-region. The girls won first place in the sub-region and the boys won second. The Milner boys fell to the Yatesville cagers in Milner on the night of February 25. The victory, which was one of the biggest upsets in the state, assured the Yatesville lads of going to state. The girls did even better by taking the Region Championship, also assuring them of a trip to the Macon City Auditorium.

In Macon, the Yellow Jackets were underdogs all the way. But that didn't thwart their spirit because they defeated Mt. De Sales and Calhoun Co. before dying valiantly to Adrian in the semi-finals. The girls defeated Dexter in their first game and probably would have gone all the way, but when Gayle turned her ankle and left the game, Attapulgus managed to nose them out 48-47.

With basketball season over, the spring sports of baseball, track, and tennis began. In tennis, the boys' and girls' teams placed second in the region. The track team, led by Aubrey Hall and Ronnie Wilder, won third in the region. The baseball had a very successful season. Led by the pitching of Aubrey Hall and the hitting of Mike Purvis, Jerry Doggett, Ricky Cumbie, and Randy Bickley, they won 8 games and lost 3, placing second in the region.

The middle of May brought with it the closing of another great athletic year at Yatesville High, home of the Yatesville Yellow Jackets.

Respectively submitted,
Mike Purvis

Dear Jessie,
It has really been nice to know a girl as sweet and pretty as you are. Remember the homecoming dance. It wasn't much fun but it was a lot of fun being with you. Best wishes to you in everything you do.
